Adult Forum — TODAY @ 9:15 AM

Our weekly adult forum meets in Brooks Hall between our morning services throughout much of the year, offering a time of fellowship, as well as a chance to exchange information or engage in deeper reflection. Typically, we've taken a vacation during the summer months, but not yet!!

Marianne Borg and Jed Holdorph invite everyone to join them for an informal conversation about last weekend's seminar, "Seeing Jesus Through a 21st Century Lens." If you attended, please join the conversation. Even if you didn't, it should be a good discussion!!

A Liturgical "Staycation" — TODAY @ 10:15 AM

Our later service meets in St. Helens for a change of venue during the summer months.

And we're also experiencing a change in our liturgical forms. The liturgy we're using this summer is adapted from *Enriching Our Worship*, a form approved for trial use in The Episcopal Church. We are thereby reminded that liturgical renewal is an ongoing process for the whole of our Church and we are encouraged to be aware of the deliberations that will continue this summer in Austin, Texas.

General Convention Convenes — Thursday (in Austin, Texas)

The 79th General Convention of The Episcopal Church gathers this year in Austin, Texas. Terry Rahmsdorff and Jed Holdorph are deputies. More information is provided in the current issue of *The Trinity Trumpet* (our monthly newsletter), including ways you can follow along from home.

Please hold them in your prayers.

Assist us, Lord, in living hopefully into the future.

In the face of change, help us to set unnecessary fears aside
and to recognize our potential for creative response.

Help us to develop a reasonable optimism when confronted by "the new"
and to guard against our own defensiveness.

Be with us as we remember and celebrate former times,
and keep us from unreasonable yearning for them,
which takes us from the work you have set before us in our time.

All this we ask in the name of your Child, our Savior, Jesus Christ. Amen.

There will likely be a presentation at a special Sunday forum after their return in late July.

Second Sunday Cinema: “Mr. Smith Goes to Washington” — NEXT Sunday @ 6 PM

What happens when a corrupt political machine tries to manipulate a naive and enthusiastic youth leader? Find out in the classic political drama, *Mr. Smith Goes to Washington* (1939). The film angered some contemporary politicians and there were calls for it to be banned as "un-American" and "communistic." James Stewart received one of the films 11 Oscar nominations for his role as Jefferson "Jeff" Smith, the young man who learns too much about how the country is run. This film made him a true movie star.

Second Sunday Cinema starts at 6 pm with an introduction to the by retired COCC professor Kake Huck. Kake facilitates a discussion after each film ... in July focusing on patriotism, faith, and cinema. There's always free popcorn!
